Class of 2023 Graduation

Atlanta Community Schools was proud to graduate 22 students from the Class of 2023 on June 2, 2023. Special thanks to Bill Ellingboe (commencement speaker), Allison Koski (Valedictorian), and Dusty Fink (Salutatorian) for giving engaging and wonderful speeches. The class has varying future goals and everyone here at ACS wishes them all the best!

Class of 2023 Free Book House

During ACS's Community Make a Difference in October, the class of 2023 took on the project of building a free book house. The kids did the entire construction and painting themselves. Once the weather warmed up, they dug the holes, poured the cement, and installed the house at the school's main entrance (pictured). We have stocked the house with books for all ages and will continue to restock it as time passes. The book house is available for anyone to browse at any time. Please help yourself to books in there and if you have some around the house that you've already read, consider bringing them up and dropping them off. There is also a notebook on the side where you are welcome to write down specific titles/genres that you are looking for and we will all do our best to seek out those books for you. You are also welcome to leave words of encouragement in the notebook to your fellow readers. Please stop up and see what your seniors are so excited to have been a part of!

End of Year Picnic to Clear Lake

On June 5, we had a school-wide picnic and fun day at Clear Lake State Park. It was a great day with our Huskie Pack (see picture). We did a scavenger hunt, played volleyball, blew bubbles, made bracelets, played catch, made sand castles, and so much more. Thank-you to our staff and parent volunteers who made it a success!

K-5 Track & Field Day

May 24 was Track & Field Day for our Elementary students (see pictures). Our Huskies rotated through stations ran by seniors and had a great time running, jumping, walking eggs in spoons, passing a wet sponge, and much more.
