Secondary students worked to clean around athletic fields, organized and cleaned storage rooms, moved firewood for a community member, and helped pack Operation Christmas boxes alongside a local church group.

They will be able to quickly see room numbers or names. You'll also notice all of our exterior doors are now labeled alphabetically, starting with our elementary gym and moving east. Pictured below is the main office entrance, Door C. We also received our Athletic Complex safety assessment and will review this at the November 7th meeting.
